Welcome to Breyer Animal Creations®!

Breyer Animal Creations® is one of the most iconic children's toys in America, one that renews itself afresh each year while staying true to the traditions that made it great! This year, Breyer will celebrate a significant anniversary! Our annual collector festival and horse fair BreyerFest® will celebrate its 25th anniversary this July 11-13 at the Kentucky Horse Park – our Silver Jubilee.

As each new generation of young horse lovers discovers Breyer's play lines, another generation graduates to Breyer Traditional and Gallery where each model horse's hand-crafted authenticity provides a cherished collectible for display or showing. And as little girls become mothers and grandmothers themselves, their children and their children's children are introduced to Breyer.

Only Breyer has the knowledge and experience – through its close connection to the real horse world – to create a tangible relationship to the world of horses and animals through its realistic models and accessories!

Not only does Breyer inspire positive nurturing role play experiences for young children but Breyer connects thousands of horse lovers of all ages through its educational website, and the model horse hobby and legendary events (like the World Equestrian Games, the World Cup and BreyerFest) that bring the real horses that inspired the models together with the people that love both!

From craft to role play and from model horse collecting, to customizing and showing, Breyer offers a unique experience that can last a lifetime. And you become a part of that world when you become a Breyer retailer! You'll gain the support of a dedicated, experienced team that includes sales and customer service, event management and more. Welcome to the Breyer family!
