Marvin's Magic

NUMBER ONE FOR MAGIC WORLDWIDE

Welcome to Marvin's Magic

Marvin's Magic is internationally recognised as *the* brand leader and number one for magic worldwide. We are proud to have won many awards, have the best selling magic sets and largest following of young magicians anywhere!

For more than 25 years we have led the way and become the recognised brand leader.

Magic is normally based on dexterity, skill and many years of practice, but with Marvin's Magic, budding magicians can perform similar sensational effects in no time. It's professional magic made easy!

Professional Magic Made Easy!

Our extensive collection of quality magic is popular with all age groups. Simple enough for youngsters, cool enough for teens yet guaranteed to impress even the most sophisticated executive.

There are amazing new sets within the Mind-Blowing, Freaky and Mizz Magic ranges. We also launch two special new gift magic ranges.

We are proud to continue our association with The Magic Circle - who promote excellence in magic and we have developed the only tricks and sets ever to receive their official recommendation.

We also look back at some of my favourites over our 25 years as well as looking forward to bringing Magic bang up to date by combining our rich heritage with cutting edge technology.

This year we introduce three great initiatives. Our 'Magic Made Easy Photo Instructions', Marvin's 'Backstage Pass' to access video demonstrations and secrets plus our 'Virtual Magician'. It's not just magic.... it's Marvin's Magic! Have fun!

AWARD
WINNING
MAGICIAN
2014

Marvin's Magic

Our reporter follows award-winning magician, Marvin Berglas - the creator of Marvin's Magic during a hectic but magical few months.

At the prestigious Marvin's Magic headquarters in leafy Hertfordshire, Marvin finalises plans for the exciting new ranges at product development meetings with the in-house creative magic team.

It's off to the London studios of TV shopping giant QVC where Marvin is guest presenting live and close-up. The television audience is clearly impressed as Marvin's products sell out on air.

Phenomenal interest

Following the launch of Marvin's Magic School at London's O2 Arena, Marvin is interviewed by journalists and filmed for TV news networks who are keen to see first hand the phenomenal interest and development of magic at grass roots level.

That evening Marvin entertains with his unique style of magic at an intimate gathering at The Savoy. The guest list includes overseas Heads of States, the Deputy Prime Minister, Lords and Ladies.

Later in the week, Marvin hosts an

informal training session with his in-store demonstration team. The team go on to produce records sales with Marvin's products being consistently amongst the best sellers at Hamleys.

Representing GB

Marvin was proud to be chosen to represent Great Britain at the Essential Magic Conference in Portugal. He was amongst 33 of the top magicians and creative minds in magic from all around the world. Each magician lectured in the studios in front of their peers whilst being beamed live into 62 countries!

At the Children's Champions Awards, Marvin is filmed on the red carpet - amazing Rio Ferdinand.

Back to London and it's the weekend, so we're off to the Emirates Stadium. Marvin is a big Gunners fan and also has been Arsenal's resident magician since 1993 - the first in the Premier League. He heads a team who provide the pre-match entertainment to the VIPs and sponsors.

Celebrity filled audiences

Marvin has a smile on his face, not just because Arsenal won, but he was chosen by the club to be featured on one of only 60, special 125 year anniversary banners commemorating selected celebrity fans

and ex players that adorn the stadium.

Marvin's on stage at a glittering black tie magic themed charity Ball in Westminster. The celebrity filled audience includes many players past and present, so Marvin again combines his passion for Magic and Arsenal whilst helping raise a quarter of a million pounds for The Willow Foundation.

TV Studios

The next week an early morning photocall and product signing for the opening of the new Toy Department at John Lewis in Oxford Street. This is followed by filming in Southbank TV studios for 'Television's Fifty Greatest Magic Tricks' which airs on New Year's Eve.

It's out to dinner with the Barbarians Rugby team ahead of their fixture vs Australia at Twickenham. This is the fifth consecutive Barbarians squad that Marvin has entertained.

The next morning it's off to Dubai where Marvin does another special product signing for one of his International customers.

Phew! I'm exhausted but Marvin is full of enthusiasm and energy and heads back to London in time for the Toy Industry Awards and to prepare with his loyal team for the trade shows in Hong Kong, London and New York... so that's Marvin's Magic.
